

## Landscape Operative

Archway Green are seeking enthusiastic and pro-active landscape operatives to join our rapidly growing team of landscape professionals with a mission to do things differently to how they are currently done in the industry.

We are a unique and experienced company in Cobham and work on key projects both in the residential and commercial sectors in London & Surrey. Our Construction Division has experience in constructing various landscapes from roof terraces to large country estates.

As a Soft Landscape Operative you will be expected to be pro-active in completing daily tasks and assisting the construction requirements of other senior members of the team.

### ***Responsibilities will include:***

- Loading and unloading of trees and plants.
- Planting of trees and shrubs in gardens.
- Turfing lawns.
- Bark mulching

### **Requirements**

#### **Skills/experience needed:**

- Proven experience of working effectively within a team.
- Hard working and motivated to achieve high standards of work on every project.
- A self-starter, able and willing to demonstrate initiative.
- Be courteous, approachable and friendly at all times, in this public-facing role.
- Be punctual and arrive ready for work.
- Work in a clean and efficient manner and extreme attention to detail.

#### **Desirable:**

- Proven experience of working within a landscaping environment.
- Ability to communicate effectively both orally and in writing at all levels.
- ROLO or CSCS certification preferred.

## Benefits

Above industry rates per hour depending on experience

We offer continuous on-the-job training, support for career development training courses and provision of full PPE, as well as a uniform allowance.

We also offer 28 days of holiday (including bank holidays) and

Bonus scheme once completion of successful probation
